Elam, Nic, Zach Stoltzfus (with Lucy - his new bride) and Rose Beiler spent time in Germany this past summer to document Nicholas Stoltzfus' early life. They will show many interesting pictures and documents they found while spending time in Germany. They will tell of the interesting contacts and discoveries they made about Nicholas Stoltzfus and his forebears. Their first work will be a coffee table book depicting his early life.

We have new and more information on the family tree with Paul Stoltzfus, Johann Adams, and Christoph Gottlieb Sr. We have birth records, baptism, marriage, death, education, siblings, children, etc.

Thank you to our sponsor,
(Stoltzfus Meats), for their
food donation for this dinner!

We found several prayers given at public funerals from Johann Adams. We found original writings by Johann Adams. We stood in the pulpits where Johann Adams and Christoph Gottlieb preached. We have pictures to tell the story.
